## NEW FACTORY TRAINING & CERTIFICATION!

**THURSDAY**  
 SEPTEMBER  
**10TH**  
 9AM – 3PM  
*Lunch Provided*

Gallant & Wein welcomes you to join them for a factory training and certification seminar presented by Speco Technologies. The event is being hosted at the Gallant & Wein training center, which is located at 200 Central Avenue Farmingdale, NY 11735 and is taking place on September 10th, 2015 from 9am to 3pm.

We will teach you about the best state-of-the-art security technology available and we will be training participants on the best ways to utilize the technologies that are in place, specifically, the Power of IP, Full HD Over Coax, SecureGuard Plus Video Management Software and High Resolution Analog. Lunch will be provided for our guests, but seating is limited. Reserve your space today!

*WE LOOK FORWARD TO SEEING YOU - DON'T MISS IT!*

**HOSTED BY GALLANT & WEIN FARMINGDALE, NY**

Join us for our BBQ and meet representatives from Speco Technologies, Panduit, Geist and Lex Associates featuring Windsor Wire and Cerrowire.

## News You Can Use!

**NJ Adopts 2014 NEC**

## Code

The State of New Jersey has officially adopted the 2014 version of the National Electrical Code.

"The State of New Jersey, Dept. of Community Affairs, Division of Code and Standards will officially adopt the 2014 edition of the National Electrical Code (NEC) with amendments upon the publication in the New Jersey Register on September 8, 2015, as the official electrical sub-code of the New Jersey Uniform Construction Code (NJAC 5:23). The electrical sub-code will have a six-month grace period ending on March 8, 2016."
