FREE Educational Webinar for Electrical Industry Professionals

*Incentives for Energy Efficiency in New Jersey:
Beyond the Bulbs*

Taking Energy Efficiency Beyond Lighting Projects

**Sponsored by NJ Electrical Contractors Association and
The NJ Office of Clean Energy**

**Tuesday, April 21
10:00am - 11:00am**
or
**Friday, April 24
3:00pm - 4:00pm**

This webinar is specially designed for NJ Electrical Contractors to learn more about innovative measures beyond lighting available to reduce energy use. Distinguish your company from the rest by giving your clients solutions for energy efficiency for less. Learn more about the technologies available to implement energy savings, how they work and where they are most commonly used.

These technologies include:

- HVAC
- Variable Speed Drives
- Electric Chillers, Refrigeration, Large Building Cooling Systems
- Energy Management Systems

About NJECA

New Jersey's Leading Electrical Contractors Association.

NJECA (New Jersey Electrical Contractors Association) is the state-wide, non-profit, member-managed electrical trade association supporting electrical contractors licensed in the state of New Jersey. NJECA is the voice and leading authority in the electrical industry for information, education, business management and advocacy supporting the electrical contractor base of over 15,000 licensed New Jersey electrical contractors and students.

NJECA partners with a variety of associations, manufacturers, distributors and education providers to provide services and support to electricians in the state of New Jersey.

NJECA • Leading the NJ Electrical Industry for 40+ Years.
